The screenshot shows a web browser window at www.vcharting.com/buysellsignal.php. The website header includes the Vcharting logo, a "Get Demo" button, and a navigation menu with links for HOME, PRODUCTS, SERVICES, BLOG, DOWNLOAD, CONTACT US, BUY, and MEMBER AREA. Below the navigation menu, there are price indicators for INR 1,900, INR 5,150, INR 9,500, and INR 17,100. The main content area features the heading "VCHARTING PIVOT LEVELS" and a sub-heading "MAGICAL PIVOT LEVELS". A list of three bullet points describes the features: "Significant levels to determine directional movement and potential support/resistance levels", "Pivot Points use the prior period's high, low, and close to estimate future support and resistance levels", and "Works with timeframes lower than daily timeframes". To the right of the text is a candlestick chart with horizontal lines representing pivot levels. Below the chart is a blue button labeled "Free Download" with a download icon, which is highlighted with a red box and a red arrow pointing to it. At the bottom of the browser window, a blue "Online" button is visible. The Windows taskbar at the bottom shows the "VchartingPivot.exe" application icon highlighted with a red box and a red arrow pointing to it. The taskbar also displays various other application icons and the system tray with the time 14:45 and date 06/02/2018.
